1. I have no knowledge of the discrepancy, as I was involved in the operations side of the campaign and was not involved in fundraising and reporting activities.
2. In the early set-up stage of the campaign, I was an interim Santini campaign contact. As soon as the campaign organized financial staff, all finance-related activities were turned over to them.
 - a) I signed the Direct-To Agreement (copy attached to this Order) as a representative of the Santini campaign. Dina Beaumont of the NRSC briefed me of the campaign's responsibilities in this program, including receiving the checks, sending thank-you notes to the contributors, maintaining records of contributions and filing the appropriate FEC reports. Since I was not going to function as a finance person, neither she nor I went into further detail. I do not know the NRSC's general structure and set-up of this program, and I do not know the meaning of such phrases as "the NRSC's masterfile", "Direct fundraising costs associated with a particular mailing or event".
 - b) I do not know.
 - c) I do not know.
 - d) I do not know.
 - e) I cannot be sure without seeing copies of the checks, but to the best of my recollection, we received contributions both in the form of contributor checks and in the form of NRSC checks.
 - f) I do not know.
3. The most recent address for Joan Henderson I know was at the NRSC.
